

Overview

- Serving the Muslim Community Since 1974
- Established Masjid offering wide range of services – prayer, education, youth work
- Project seeks to move to a new building and expand the range and quality of services:

The Nelson New Madina Masjid project will develop a place for everyone, whether you are Muslim or non-Muslim, male or female, young or old; an asset not just to be used by the local Muslim community but the wider population of Nelson and Pendle.
